

# Lavender Cottage - Dog Walk One

Walk along the lane, the Severn Way and through fields

- From the driveway turn left
- At the first bend take the track to the left of the bungalow signed Severn Way & Bridleway
- Keep going along the track, after a right hand bend, there are trees on both sides, until you reach the end.
- At the end of the track you reach open fields
- There is a metal gate which is usually open, go through and enter the field

## **Option 1 – Short walk, 0.83 miles**

- Turn to the right and follow the field edge keeping the fence on your right
- Walk to the top until you reach the lane, turn right and walk back to Lavender Cottage

## **Option 2 – Medium walk, 1.3 miles**

- Walk down to the River Severn. This field has been made into a Motocross circuit by the farmer
- Just pick your way around any posts and ropes that may be there
- Retrace your steps to home or follow the alternate route as per option 1 above

## **Option 3 – Longer walk, 2 miles**

- When you enter the field, look straight down to the trees ahead. Head for the tallest tree and to the left of this tree in the hedge is a metal gate.
- Go through the gate turn right and head to the opposite side of the field by following the edge of the field until you reach a bridge over a stream through the hedge.
- Go over the bridge and enter an open field, houses to your left, River Severn to your right.
- Follow the path to houses and pass between houses on the path to the road to The Wingfield Arms pub for a drink.
- Retrace your steps for home, or turn right out of the pub and follow the road up the hill back to Bicton and turn left into the village and along Bicton Lane.
